Faces of the day

The A-Team is the best, isn't it?

Today we would like to present you five very important people – without them, the camp would not be the same as it is. They were and still are working a lot, and of course you already know them quite well. I am talking of the Animation-Team, the A-Team:

Stephanie, Aline, Ben and Thuy-Van – they are all volunteers from the Swiss Red Cross and

Busy as a bee:

Not every one who is working hard is as visible as the A-Team. Some people are working a lot in the background. One of the most important of them for our Youth Camp Maria. She is responsible for all the logistics of the camp, including the food. We would like to thank her in the name of all the participants of the camp. If you meet her, don't forget to give her a big smile!!!!
